Professional Experience

Oct 2015 – Jul 2020	CJ Corporation (Leading holding Company overseeing CJ Group: Korea’s largest food, logistics, and media & entertainment conglomerate) <i>Project Leader & CX Strategic Designer for CJ LiveCity</i> • Co-founded CJ LiveCity within a small incubation team and scaled it from concept into a formal CJ Group subsidiary • Led consumer experience (CX) development for a US\$1.5 billion themed-entertainment complex (330,578m²: arena, studio complex, and theme park) • Designed online-to-offline trans-platform customer experience for ride attractions in a major zone; managed zone-level budget and quality control • Conducted consumer ethnography and expert interviews to optimize on-site CX across the park; designed immersive VR/gamification walk-through attractions • International partners: BCG (Korea), The Hettrema Group (USA), Forrec (Canada), Digital Ventures (Japan & Australia)
Sep 2014 – Sep 2015	<i>Sr. Brand Marketing Analyst</i> • Advised branding strategy across CJ Group’s entertainment portfolio: 15 TV channels, 10 music labels, film investment & distribution, and multiplex movie theater chains • Built on-site branding strategy for KCON, Korea’s flagship Hallyu convention & show, supporting its expansion to 8 countries • Designed service quality assessment research across 5 subsidiaries and 15 brands using observational ‘mystery shopping’ methodology
Jan 2012 – Aug 2014	<i>Sr. Analyst, Management Research Institute</i> • Developed strategic policy responses to Korea Communications Commission (KCC) media regulation on behalf of CJ Group’s broadcast, film, and digital platform businesses • Researched technology innovation and telecommunications platform trends to surface new business opportunities for CJ Group • Awarded Analyst of the Month (November 2012)
Oct 2007 – Feb 2011	The Electronic Times (Korea’s leading IT & economics daily newspaper) <i>News Reporter</i> • Maintained key beats in computing, consumer electronics, and university R&D laboratories, authoring 3,500+ articles and 135 in-depth features.

- Covered Silicon Valley tech firms (Apple, Google, Microsoft, Facebook, Twitter) and major Korean and international technology companies (Samsung Electronics, LG Electronics, Intel Korea, HP Korea, Nvidia Korea)
- Lead Investigative Journalist, "Entrepreneurship and University Start-ups" (2007–2008)
 - Spearheaded and solo-authored the entire investigative series.
 - Conducted extensive fieldwork, interviewing over 300 university spin-offs, faculty entrepreneurs with proprietary technologies, and engineering professors
- Investigative Reporting Team Member, "Digital Aging: U-Health" (2010) & "Elections & Social Media Viral Effects" (2009)
 - Collaborated on high-impact investigative projects, leading in-depth interviews and overseeing social media data collection and analysis.
- Awarded Reporter of the Month twice (January 2008; August 2010)

*Jan 2006 –
Jun 2006*

The Hope Institution (National non-profit think tank, Seoul)
Writer & Research Intern

- Developed PR and communication strategy development for social policy initiatives at non-profit think tank
- Conducted agenda-setting research that informed organizational policy reports
